Yesterday the thermometer at the local weather bureau registered as follows: Maximum temperature, 37 degrees, at 4:15 p. m.; minimum, 18 degrees, at mid-The mean temperature for the 24 hours was 28 degrees; mean daily relaive humidity, 56 per cent.

Territorial Superintendent of Instruc tion Baca is in town from Las Vegas. He has prepared a very elaborate and complete report, but as there is no appro-priation for the expense, the report can not be printed until the legislature—has convened and the necessary appropria-

The city council tried awfully hard to meet last night, but there was not a quorum, and the clerk did not have the pleasure of reading to the aldermen, ively selections from that blood curdl-

ing tale of adventure. "The minutes of the previous meeting." Word was received in Santa Fe today that Mrs. Whitford, mother of Mrs. Edgar L. Hewitt, died at Mr. Hewitt's home in Las Vegas Sunday, from the effects of an amputation of a limb. The

remains were taken to Denver for bur-ial. Mrs. Whitford was a resident of Santa Fe for nearly a year before going to Las Vegas, and made many warm iends in the city who will hear of her leath with deep sorrow. General Manager Day, of the water company, says Captain Cobb must have nisunderstood the spirit, at least, of his

short talk with him on a water supply for the proposed marine hospital service in this city. Captain Day says he dis-tinctly stated that he invited the officer to bring his hospital to Santa Fe, and the service would be given water for what they were able to pay. There is no occasion whatever for any apprehen-sion that the cost of vater will stand in the way of the hospital being located in Santa Fe.

The Sunday school of the Church of he Holy Faith will have their Christnas tree at 3 o'clock on Saturday afternoon, December 24, in the church. Members of the congregation and friends of the children are cordially invited to come and see the children's festival. Governor Otero has received notification from the department of the inte-

rior that Dr. James A. Massie has been appointed a member of the board of examining physicians for the bureau of pensions at Santa Fe, and that the docfor has been sent his appointment.

Why They Weep. Many shippers, politicians, hotel men. and many railroad men, too, for that matter, will be given the stony hand and the marble heart after January 1 by the Santa Fe, Rock Island and Missouri Pacific roads in the little matter of No free transportation will be given to employes of foreign roads unless the request is signed by the president, vice president and general manager and general superintendent of the applying line. Representatives of street railways, refrigerators and tank lines and coa agents are ruthlessly cut off. Annual or trip passes for charitable or personal purposes may be issued at the discretion purposes may be issued at the discrete ap-of the different companies, but these applications will be closely scrutinized. Officers of lines less than 50 miles in length will get no passes, and officers of lines less than 100 miles will get but three. Business men, shippers or others in a position to influence traffic will pay their fare or take tie passes. So will all land or immigration agents not in the employ of the three companies. Agents of fast freight lines will be given transportation only on the lines over which hey operate, and heads of commercial freight bureaus will be favored only through official request of committees.

issued at discretion, and represertatives of social, secret societies and educational

handed down at the next term of court The rejection of this case restores nearly 500,000 acres of land, known as the Estancia grant, made in 1845, and claimed by Joel Parker Whitney, to the public domain. This cause was filed in the court March 1, 1893, with J. H. Knaebel as attorney for the claimant. The court adjourned this afternoon

the date of the next session to be announced later. On Tuesday, January 17, 1899, the court will convene in Tucson, in order to take up the Arizona docket.

MEETING OF NATIONAL **GUARD ASSOCIATION**

Efforts Making to Secure Increased Appropriations-Meeting Well Attended Much Interest Taken in Guard.

Colonel Whiteman, adjutant general of New Mexico, returned from Chicago last night, where he has been for two weeks in attendance upon the annual meeting of the National Guard Associa-

The meeting was largely attended, not

only by the different adjutant generals and officers of the guard from all over the country, but by regular army officers. The main subject under discussion in the sessions of the association was that of the proper procedure to be taken to secure an increased appropriation from the government for the beneguard, to be used in buying equipment, uniforming the guard and paying the expenses of an annual encampment, inexpenses of an annual encampment, in-cluding a small per diem for the officers Tank Tower, a full description and and men to compensate for the loss of

time while in camp. guard than ever before and the general feeling is that the country should have feeling is that the country should have delivery under a contract. The right is a guard that is well equipped and drill-reserved to reject any and all bids or ed. It is thought by the regular army any part of any bid, if deemed for the officers that the army will be increased best interests of the service.
